The Swedish Export Credit Corporation

The Swedish Export Credit Corporation (SEK) is a state-owned, commercially driven company that offers financial solutions to support Swedish exporters, their sub-contractors, subsidiaries, and international buyers of Swedish goods and services. Founded in 1962, SEK is fully owned by the Swedish Government (without an explicit state guarantee) and plays a critical role in boosting the competitiveness of Sweden's export industry.

Two criteria need to be fulfilled in order for SEK to be able to lend:

- 1) It needs to be export related
- 2) It needs to be related to Sweden
